

# Covid 19 Statement

Fiveways is a charity run playcentre surrounded by a green oasis. We offer breakfast club, preschool, afterschool care and some sessions during the holidays [unfortunately we are not able to offer this service for the summer of 2020].

Fiveways Playcentre, like everyone else in the county, has a responsibility to respond to and change procedures if necessary, following the latest guidance given by the Government. We have a duty of care to our children, families, our staff team, and any visitors to our grounds. We need to ensure we have systems in place to keep everyone as safe as practicable bearing in mind that we are a Playcentre. It is crucial that everyone feels safe and the children are able to relax and play.

We are assisted by Brighton and Hove Council, Early Years and Out of School Care Team as well as The Early Years Alliance and The Out of School Alliance both of which are national organisations supporting us in managing a Covid secure environment.

Guidance on how to stay safe during the coronavirus (COVID-19) pandemic is updated regularly. For the latest Government guidance:

- in England, see [coronavirus advice on GOV.UK](#)

Our Covid 19 Risk Assessment will be amended and updated as the guidance from the Government is issued.

Cleaning and hygiene, PPE, fit for work and testing, dealing with a sick child, social distancing in the workplace for staff and managing staff stress are covered in the risk assessment.
