

Fiveways Playcentre

October News

Dear Fiveways Families,

I am writing to inform you all that I am leaving Fiveways at Half Term. I have been here as the Centre Manager for over three years and it has been an amazing adventure which I have thoroughly enjoyed. However, I have a young family and the balance of managing Fiveways and family life has become too much for me. I am going to miss our Fiveways Family so much. It was a very hard decision to make, however I would like to thank the committee and staff team who, have been so supportive especially when we have been struggling with financial insecurity. Fiveways is such a special setting and is unique in so many ways, I am proud to say I was part of it for a while.

I wish you all well and I hope I will see you at the fundraising events in the future. Gaynor

Because of the above news, Fiveways will now be moving into a new era. We are delighted to share with you that Grace and myself will be Co-Managing the center. We are looking forward to the challenge but with the support of our amazing staff we are sure this will be a smooth transition. To help us moving forward Lucy will be Early Years and Playroom Manager and Charlie Office Manager. Our door is always open, please come and talk to any of us at any time

Car Parking

Please can we respectfully ask all parents not to double park or use the loading bay on Florence Road. It is very busy at pickup and drop off times and “double parked” cars are a hazard to the children and our neighbors.

We seem to have a lot of lost property, please could you make sure that you name all items, where possible. Then we can quickly pass these back to you.

We unusually have some places available in the Pre School. If you would like to book in for an extra session or know someone who would like to place their child here please speak to Charlie in the Office.
